Population Density of Africa

Urban Population
Number of People
- Over 8,000,000
- 4,000,000-8,000,000
- 1,000,000-4,000,000
- Under 1,000,000

Population Density
Per sq. mi. Per sq. km
- Over 250 Over 100
- 125-250 50-100
- 25-125 10-50
- 2-25 1-10
- Under 2 Under 1

Map of Africa showing population density and urban population in various cities.
Economic Activity of Africa

**Land Use**
- Subsistence farming
- Commercial farming
- Nomadic herding
- Livestock raising
- Commercial fishing
- Forestry
- Trade and manufacturing
- Little or no activity

**Resources**
- Coal
- Diamonds
- Hydroelectric power
- Iron
- Natural gas
- Petroleum (oil)
- Precious metals (gold, silver, copper)
- Uranium
